

Amendment One

**Request for Qualifications – Consultant Services
[Independent Contractors]**

RFQ No. 2016-02

Section 13 of the Request for Qualifications – Consultant Services is amended as follows:

Section 13 – Registration with Mississippi Secretary of State

By submitting an application, the vendor certifies that it is registered to do business with the Mississippi Secretary of State or, if not already registered, that it will do so prior to entering into a contract with MSPB. The Mississippi Secretary of State does not register sole-proprietorships; therefore, if the vendor is a sole-proprietor, registration is not required and this section is not applicable.

No other changes are made to the Request for Qualifications.

Please acknowledge receipt of this amendment by returning it, along with your original application, by Wednesday, October 28, 2015 at 5:00 PM CST. This acknowledgment should be enclosed in your application packet before the Application Cover Sheet (Attachment A). Failure to submit this acknowledgment may result in rejection of the application.
